Samuel is a creative designer who have adopted the creation of aesthetics and functional designs. I am an enthusiast of designs and an individual who is committed to helping start-ups and brands through the use of compelling designs. My career goal is to take responsibility in whatever environment I am in, adding virtue to such an environment and serving humbly.

EMPLOYMENT HISTORY

Creative Designer at Samstar Creations

October 2020 - Till Date

- Brand Identity Designer
- I develop ideas and strategies that show insight and innovation
- I implement the creative execution during the design stages of clients projects.
- I translate creative thinking into imagery and copy that retains and clearly expresses the initial ideas.

Creative Designer at Techtrend Africa

May 2022 - July 2022

- Visual Designer
- I created stunning marketing designs that helped to publicized the brand.
- I led the team of designers in creating designs to sharpen our skills.
- I actively participated in training and business strategy meetings.

Digital Instructor at Graceman I.T. Concept

May 2016 - August 2022

- Creative Designer
- I trained over 50 students on how to operate computer and its application.
- I also trained over 20 students on social media marketing.
- I created wide range of graphics and layouts for beginners with design softwares.
- I reviewed final design layouts and suggesting improvements when and where necessary.

Administrative Secretary at Lagos State Polytechnic, Isolo.

September 2021 - October 2021

- Receptionist/Typist
- I assisted students with typing their final year projects.
- I also managed the office and its environs.

Freelance

October 2020 - Till Date

- General Brand Designer Thobshow Gadgets
- Design Visual content for print and Digital applications that is on-brand, reinforces our status and reputation for brands.
- Designed social media flyers for over 200 brands.
